Privacy Policy for SeaZone

This Privacy Policy governs the manner in which **SeaZone** collects, uses, maintains, and discloses information collected from users of the **SeaZone** mobile application.

Personal Information Collection

- **Mobile Phone Number, Username, and Password**: **SeaZone** requires users to provide their mobile phone number, username, and password for registration and authentication purposes.

- **Photos**: The application may access photos on the user's device for specific features or functionalities within the app.

- **Credit or Debit Card Information**: Users are required to add their credit or debit card details for payment processing within the application.

- **Google Maps API**: The application utilizes the Google Maps API for location-based services and mapping functionalities.

Data Usage and Protection

- User information collected by the application is securely stored and protected using industry-standard security measures to prevent unauthorized access, disclosure, alteration, or destruction.

- The application does not sell, trade, or rent user information to third parties without explicit consent, except as required by law enforcement or regulatory authorities.

Third-Party Services

- **SeaZone** may utilize third-party services or APIs to enhance user experience and functionality. Users are encouraged to review the privacy policies of these third-party services.

Data Retention

- User data is retained for as long as necessary to provide services to the user or as required by applicable laws or regulations.

Contact Us

If you have any questions or concerns regarding this Privacy Policy, please contact us at SeaZone2022@gmail.com.

Changes to this Privacy Policy

SeaZone reserves the right to update or modify this Privacy Policy at any time. Users are encouraged to review this policy periodically for any changes.

By using **SeaZone**, you signify your acceptance of this Privacy Policy. If you do not agree with this policy, please do not use the application.
